U.S. Senior Women's Amateur
Sept. 26, 2026
Portland (Ore.) Golf Club
First Round

Amandine Vincent (71, -1)

This is your first time in this championship. What other amateur events have you played in this year leading up?

VINCENT: "I have played everything in Europe."

Q: So this is the first event in the United States.

VINCENT: "Yes."

Q: How pleased are you coming out here, being one of the few red figures after in this first round?

VINCENT: "I haven't seen the other scores, so I don't know, but I would have been happy with anything under 76."

Q: What would you say was the strongest part of your game today?

VINCENT: "My putting, because when you make six birdies, you're putting very well."

Q: Any those birdies stand out to you. Any long putts?

VINCENT: "Yes. Starting on one."

Q: How long would you think it was?

"I would say, in meters, maybe 10 meters. And then they were shorter, but they were not, like, gimmes, except on 16. It was really close. And, yeah, I mean, when you were 4-under after six holes, anybody would sign for that."
