Portland (Ore.) Golf Club
Round of 64

Lara Tennant, 23 holes

Q: Longest match of the day, 23 holes, describes the battle out there today against Brenda Keuhn?

TENNANT: "Well, I think we both had some good stretches of golf. And it just came down to the last hole. I had to make a birdie on the fifth extra hole, and, you know, luckily, the putt went in. But Brenda is a tremendous competitor. She is a grinder, so I knew it would be a very good match today."

You're matched up with your four-ball partner, good friend, Ellen Port. What are your thoughts going into that match tomorrow, knowing you're going up against her?

TENNANT: "I know it'll be a great match. I think Ellen and I are pretty good about just playing golf and playing the golf course. But we're dear, dear friends, and we both want each other to play well. I'm sure it'll be a great match."
