Round of 32/Round of 16

Lara Tennant

Q: 34 holes, you took down two past champions, describe the fight it took to win two matches today.

TENNANT: "Well, it's really difficult to compete against two of your best friends. They are both great champions, and... either match could have gone either way, so I'm just happy to be the one that actually won today, but any other day could be any other story."

Q: What does it mean to you to have the local support?

TENNANT: "I've had tremendous support, and it means the world to me. This club, and Portland, in general, has really supported me, so I feel so fortunate to have so many people rooting me on."

Q: What's it been like having your son on the bag this week?

TENNANT: "Oh, just to spend that time with him, and for him to experience this week with me, which, you know, means a lot to me."
