

# Empowering people worldwide to live healthier at every stage of life

VIATRIS™ is a new kind of global healthcare company, committed to providing access to medicines, advancing sustainable operations, developing innovative solutions and leveraging our collective expertise to improve patient outcomes. Formed in 2020, Viatris brings together best-in-class scientific, manufacturing and distribution expertise with proven regulatory, medical and commercial capabilities to deliver quality medicines to patients when and where they need them.

## OUR MISSION

At Viatris, we see healthcare not as it is, but as it should be. We act courageously and are uniquely positioned to be a source of stability in a world of evolving healthcare needs.

**Viatris empowers people worldwide to live healthier at every stage of life.**

We do so *via*:

### ACCESS

providing high-quality, trusted medicines to patients regardless of geography or circumstance

### LEADERSHIP

advancing sustainable operations and innovative solutions to improve patient health

### PARTNERSHIP

leveraging our collective expertise to connect people to products and services

## OUR LEADERS

Our seasoned executive management team and board of directors bring decades of expertise, knowledge and strategic vision to Viatris. Together with our dedicated and talented global workforce, our leadership is committed to increasing access to medicine for patients around the world while unlocking value for shareholders.

**Robert J. Coury**  
Executive Chairman

**Michael Goettler**  
Chief Executive Officer

**Rajiv Malik**  
President

**Sanjeev Narula**  
Chief Financial Officer

# Creating better value

for all stakeholders while addressing unmet needs.

## Committed to Corporate Social Responsibility

### PATIENT HEALTH

An industry leader with products that are capable of addressing nine of the top 10 causes of death globally and serving more than 165 countries and territories including close to 90% of low and lower-middle-income countries<sup>2</sup>

### EMPLOYEE HEALTH

Committed to providing a safe, positive, and productive work environment that fosters inclusion, integrity, dignity and mutual respect

### COMMUNITY HEALTH

Support efforts to enhance the quality of life and meet needs in and around the communities where Viatris operates

### ENVIRONMENTAL HEALTH

Responsible environmental stewardship and promoting safe and sustainable operations is a priority

### GLOBAL PUBLIC HEALTH

Leverage our global footprint to advocate for responsible public policy, prioritizing patient health, access to medicine, including in low-income countries, and the acceptance of generics and biosimilars
