

At Viatris, we meet the needs of patients around the world by acting decisively with ingenuity and resolve. Whether we're developing medicines, ensuring a resilient supply of needed therapies, or pursuing bold innovation, we deliver solutions that are effective at scale and built to endure. With a dynamic portfolio that spans generics, established brands and innovative medicines that address areas of significant unmet need — we're purpose-built to grow sustainably. *Our mission is to empower people worldwide to live healthier at every stage of life.*
