About Lundin Gold

Lundin Gold, headquartered in Vancouver, Canada, is developing its wholly-owned Fruta del Norte gold project in southeast Ecuador. Fruta del Norte is one of the world's largest, highest-grade gold projects currently under construction. The Company's board and management team have extensive expertise in mine construction and operations, and are dedicated to advancing this project through to first gold production in the fourth quarter of next year.

The Company operates with transparency and in accordance with international best practices. Lundin Gold is committed to delivering value to its shareholders, while simultaneously providing economic and social benefits to impacted communities, fostering a healthy and safe workplace and minimizing the environmental impact. The Company believes that the value created through the development of Fruta del Norte will benefit its shareholders, the Government and the people of Ecuador.
