News Release

Josemaria Announces Completion of Plan of Arrangement with Lundin Mining

April 28, 2022 (Toronto): Josemaria Resources Inc. (TSX: JOSE) (OMX: JOSE) (OTCQB: JOSMF) (“Josemaria” or the “Company”) is pleased to announce that all conditions to the closing of its previously announced plan of arrangement (the “Arrangement” or the “Transaction”) with Lundin Mining Corporation (“Lundin Mining”) (TSX:LUN) (OMX: LUMI) have been satisfied and the Arrangement will take effect at 12:01am (Vancouver time) on April 28, 2022 (the “Effective time”). Under the Arrangement, Lundin Mining will acquire all of the outstanding common shares of Josemaria (the “Josemaria Shares”) for total consideration of approximately C\$630 million on a fully diluted basis. As a result of the Arrangement, Josemaria will become a wholly-owned subsidiary of Lundin Mining.

The Transaction was previously approved by the securityholders of the Company at the special meeting of securityholders held on April 21, 2022 (the “Meeting”) and approved by a final order of the British Columbia Supreme Court issued on April 26, 2022. Upon closing of the Arrangement, each shareholder of Josemaria (“Shareholder”) (other than Lundin Mining and any of its subsidiaries) will receive as consideration for such Shareholder’s Josemaria Shares, at such Shareholder’s election: (i) C\$1.60 in cash for each Josemaria Share held (the “Cash Consideration”), or (ii) 0.1487 of a Lundin Mining common share (each whole share, a “Lundin Mining Share”) for each Josemaria Share held (the “Share Consideration”), plus for each whole Lundin Mining Share issued to such Shareholder, C\$0.11 in cash will also be paid to such Shareholder (the “Share Consideration Cash Payment”), or (iii) any combination thereof. The Cash Consideration and Share Consideration (together, the “Consideration”) are subject, in each case, to pro-ration based on a maximum cash consideration of approximately C\$181 million and a maximum of approximately 40 million Lundin Mining Shares pursuant to the terms of the plan of arrangement (the “Plan of Arrangement”) and the arrangement agreement between Josemaria and Lundin Mining dated December 19, 2021. The Shareholders who did not make an election or a valid election were deemed to have elected the Share Consideration (together with the applicable Share Consideration Cash Payment) in respect of each Josemaria Share held, subject to pro-ration. Optionholders who did not validly exercise their Josemaria stock options prior to the closing date of the Transaction will receive appropriately adjusted fully-vested options to acquire Lundin Mining Shares from Lundin Mining in accordance with the Plan of Arrangement.

Additional information regarding the Arrangement is set out in the Company’s management information circular in respect of the Meeting dated March 16, 2022 (the “Circular”), a copy of which is available on SEDAR under the Company’s profile at www.sedar.com and on the Company’s website at www.josemariaresources.com/investors/corporate-filings/.

The Josemaria Shares are expected to be delisted from Nasdaq Stockholm as of April 29, 2022 and are expected to be delisted from the Toronto Stock Exchange (the “TSX”) after the end of trading on May 2,

2022. An application will also be made for the Company to cease to be a reporting issuer in the applicable jurisdictions.

CAUTIONARY NOTE REGARDING FORWARD-LOOKING INFORMATION:

This press release includes certain "forward-looking information" and "forward-looking statements" (collectively "forward-looking information") within the meaning of applicable securities legislation. All statements, other than statements of historical fact, included herein, including, without limitation, the Effective Time, the timing for delisting of the Josemaria Shares from the TSX; the strengths, characteristics and potential of Lundin Mining post-Transaction; the impact of the Transaction on employees and local stakeholders; and discussion of future plans, projects, objectives, estimates and forecasts and the timing related thereto. Forward-looking information is frequently, but not always, identified by words such as "expects", "anticipates", "believes", "intends", "estimates", "potential", "possible", and similar expressions, or statements that events, conditions, or results "will", "may", "could", or "should" occur or be achieved. These forward-looking statements may also include statements regarding the timing for delisting of the Josemaria Shares from the TSX and the Nasdaq Stockholm, or other statements that are not statements of fact.

Forward-looking information involves various risks and uncertainties. There can be no assurance that such information will prove to be accurate, and actual results and future events could differ materially from those anticipated in such information. Important factors that could cause actual results to differ materially from the

Company's expectations include failure to receive the required regulatory approvals to effect the Transaction; changes in laws, regulations and government practices; risks pertaining to the outbreak of the global pandemics, including COVID-19; government regulation of mining operations; environmental risks; and other risks and uncertainties disclosed in the Company's periodic filings with Canadian securities regulators and in other Company reports and documents filed with applicable securities regulatory authorities from time to time, including the Company's Annual Information Form available under the Company's profile at www.sedar.com. The Company's forward-looking information reflects the beliefs, opinions, and projections on the date the statements are made. The Company assumes no obligation to update the forward-looking information or beliefs, opinions, projections, or other factors, should they change, except as required by law.
